Bldg C Alarm Test - Rescheduling Notice

Meridian Fire & Security will be performing the rescheduled fire alarm test in Bldg C only, on **Thursday, October 12, 2017**, from approximately 12:00 - 3:00 pm.

(Meridian was unable to perform the alarm test yesterday, as had been planned, due to unforeseen issues that arose for them.)

The testing will involve alarms sounding (off and on) during this time frame, while Meridian works to investigate an issue discovered during their recent annual inspection.

Thank you!
