Election Notice & Sign Policy - No In-Building Solicitations

Please note that the Association's Rules allow political signs (within size requirements) to be placed in a Unit window facing out not earlier than 45 days prior to the date of the election, and must be removed not later than 7 days following the election. In addition, no placement of election or campaign notices is allowed within the common areas of the condominium buildings or in the Community Center.

The Peloton -A "No Smoking" Community

We all know (or should know) that The Peloton is a "no smoking" community. This "no smoking" rule is strictly enforced, and relates to anywhere on The Peloton property, with the exceptions of in-Unit smoking and on-balcony/patio smoking, as long as it does not become a nuisance to other residents. This relates to smoking of any kind. Please be courteous of your neighbors if you are smoking in one of the allowable areas (only in the Unit or on the balcony/patio) to avoid receiving a nuisance report. We appreciate your help!

New Neighborhood Mail Group For All Peloton Residents & Owners

We have established a NEW mail group for ALL Peloton residents and Owners! This mail group is for any issues except those for viewing only by Association members (i.e., Owners). You may now join MyNeighbors@yahoogleroups.com (instructions below) and post most of your questions and discussion topics there. This includes anything to do with living in a Peloton condo - thermostats, fire alarms, patio doors, music in the gym, CO alarms, movie night and any other social events, stuff for sale, sales or rentals of condos.

Please check it out - here are the instructions for sign-up, from the mail group administrator:

To join the group, simply send an email to:

MyNeighbors-subscribe@yahoogleroups.com

In response, you will receive an email asking you to "Please confirm your request to join MyNeighbors".

Click on the link in item #1) in that email.

You're in, and you should receive a welcome email from Yahoo.

If you need help with this, I am happy to assist. Just ask!

(You do not need a Yahoo account, but if you do sign up with your Yahoo account, you will be able to login to the YahooGroups web page and see the message archives).

How to Post:

It's easy. Just send an email to MyNeighbors@yahoogleroups.com and it will go to the group.

How to respond:

There are two ways to respond, to the group or just to the sender. Think about which your response is relevant to and click the link at the bottom of the message you are responding to.

Also, as a courtesy to everyone's bulging in-boxes, there is no need to respond just to say you don't have the thing someone is looking for or that you can't be of assistance. Respond only if you are adding something to the discussion (adding humour is ok as long as it really is funny ;-)). I get complaints when people post content-free responses.

Remember to keep it friendly - any post causing 3 or more complaints will get the poster removed, so play nice everyone!
