December 2017 Assessments - ACH Automatic Payments Pending

Our Accounts Receivable department reported this morning an issue with RevoPay that caused the December 2017 monthly Association assessments for Owners using ACH not to be paid by the 10th of the month as they normally do. This issue has been resolved and any Owners who use ACH for their monthly assessments will see the December 2017 assessment pull in the next few days. (Of course, no late charges to Owners will result from this.) We apologize for any confusion this may have caused.
