Annual Dog Registrations - Due in January

It is time once again to register your dogs with the Association. If the Association is aware that you have a dog residing in your Unit, you will soon be receiving a separate letter with the required Pet Registration form. Please complete the form and deliver it to the Management office by February 1, 2017. The Association will be following its Pet Policy and supporting governing documents to enforce compliance with this requirement. Please register your dog early to avoid the \$100.00 late registration fee and any fines that may be levied for noncompliance.
