Next Board Meeting - Thursday, April 19, 2018, 11:00 AM

The next scheduled meeting of the Board of Directors will be held on **Thursday, April 19, 2018, at 11:00 am**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

Fountain Signage Structure Pending Renovation

The fountain and signage structure at the southeast corner of the Peloton property, situated in front of the Bldg D commercial/retail (by the old Poppy's and B Cycle), is now going to be renovated! CityView has contracted with a company to have wood cladding, new signage and a living "green-wall" installed. Pre-construction work has begun, and you will see the renovation begin shortly. We are excited to have this important property component renovated to create a much more inviting sense of place at this important corner of our property.

Garage Entry Gate Repairs - Early Next Week

The garage entry gate (which has been in the locked and open position this week, after it came off its tracks) will be repaired and restored to full functionality early next week (probably by the end of the day Tuesday). The reason for the delay is that after obtaining a quote from a gate vendor, for replacement of some of the door parts, we were able to secure a much less expensive quote (savings the Association thousands of dollars) from a different contractor utilizing gate parts we had retained in our parts inventory. We appreciate your patience.

Peloton Movie Night - "American Graffiti" - Monday, March 19 at 7:00 PM

After we recently watched The Grapes of Wrath, I thought it might be interesting and entertaining to watch a series of films that try to depict different eras and cultures in our American history on an occasional basis. The Joad family, back in the dust bowl thirties, thought California was going to be the promised land. American Graffiti (1973) on the other hand, presents us with a view of teenagers in a small California town on a late summer Saturday night around 1960, the end of the Eisenhower years, fifteen years after the end of WWII, and not long before the opening of the black hole of Vietnam. Girls and boys, cars and goofing off are important (and acne is the worst)! This is a great comedy with great tunes. I'm sure some of you will remember when you heard some of these songs for the first time. Directed by George Lucas and starring Richard Dreyfus, Ron Howard, Cindy Williams (Shirley from Laverne and Shirley), Candy Clark, Paul Le Mat, Charles Martin Smith, Harrison Ford and Wolfman Jack! "We've been having fun all summer long..." Come join us **Monday, March 19 at 7:00 pm**. Be there or be square!
