Welcome New Peloton Staff Member - Kurt Schuster
Best Wishes to Bob Schuster

Please join me in welcoming our newest staff member to The Peloton team, Kurt Schuster! Kurt is replacing Bob Schuster (no relation) in the Maintenance Technician position, as Bob prepares to move out of state. Bob's last day here is tomorrow, June 8, 2018.

Kurt comes to us with 7 years experience as a Facility Engineer for a 440-Unit condo complex in Kihei, HI, and will be working Tuesdays through Saturdays. Kurt starts work today, so please say "hi" to him when you get a chance!
