## **Association News**

### Next Board Meeting - Thursday, July 19, 2018, 11:00 AM

The next scheduled meeting of the Board of Directors will be held on **Thursday, July 19, 2018, at 11:00 am**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

### Reminder: Window Washing - Next Week (June 25-29)

The annual exterior window washing will take place next week, **June 25-29, 2018**. This window washing includes all windows except for those accessible from your balcony or patio. Please have your screens removed prior to the start of this work. (If you do not want your windows washed, please place a white 8-1/2 x 11 piece of paper in the center of the window so the washers can see it.) The window washing contractor plans to start the work at Bldg C and work around Bldgs D, F and E in that order, but this plan is subject to change.

### New Surveillance Cameras Approved - Bldgs E&F + Garage

The Board of Directors at yesterday's Board Meeting approved the purchase and installation of video surveillance cameras for Bldgs E&F, and in the underground parking garage under Bldgs E&F. These cameras will provide video surveillance coverage in these areas where no cameras had previously been installed, and with the same coverage as we now have in Bldgs C&D and in the parking garage under those buildings. The installation work will occur over the next 4-6 weeks.

## **Community News**

### Dogs Must Be On a Leash - An HOA Rule & City Ordinance

The Association's Rules & Regulations and Policy Regarding Pets requires that all dogs be under the dog owner's control and on a leash when in any of the Common Areas of the community. This means that whenever a dog is not inside the Unit, it must be on a leash. This requirement applies to any resident guests and their visiting dogs. Finally, the City of Boulder's Leash Law states that all dogs in the City must be kept on leashes at all times unless they are confined to their owner's property. Management has observed and received several recent reports of dogs being off leash when outside of a Unit. Please observe this important rule and local law.

### Bike to Work Day - June 27, 2018

Boulder B-cycle, Boulder's non-profit bike sharing program, and located in Bldg D Unit 179 at The Peloton, is hosting its Bike to Work Day breakfast station on the lawn area just behind their bike sharing station on the property. The station will be open **June 27, 2018 from 6-9:00 AM**. This is B-Cycle's fourth year hosting this event!
