Welcome New Peloton Team Member - Jack Lytle

Please join me in welcoming our newest team member to The Peloton, Jack Lytle. Jack will be working as our Seasonal Maintenance Technician, assisting our Building Engineer and Maintenance team as needed with landscaping and general maintenance tasks. He starts work today, and will work through approximately the end of October. He is a recent undergraduate in physics from the UC Santa Barbara. Please say "hi" to Jack as you see him around the community!
