Staff Changes - Best Wishes to Heidi Snyder (Administrative Assistant) and Jessica McDuffee (Administrator)

Recently, our long-time Administrator and then Administrative Assistant Heidi Snyder tendered her resignation, and her last day at The Peloton will be **August 17, 2018**. Heidi is pursuing her desire to go back to school full time. In addition, our recently hired Administrator Jessica McDuffee has tendered her resignation, and her last day at The Peloton will be **August 10, 2018**. Jessica will be pursuing other interests as well.

We wish both Heidi and Jessica all the very best as they move on in their lives.

So, please join me in welcoming to The Peloton two experienced and highly qualified replacements for these key positions:

Becca Elder (Administrator, morning shift)

Both Gary and Becca will start work here on **Monday, August 6, 2018**, and will begin their training with the current office staff during Tim's vacation. We are sad to see Heidi and Jessica leave, but thrilled to have Gary and Becca joining our team! Please say "hi" to them when you see them starting next week!

Another New Staff Member - Welcome Raymond Avila, Maintenance Technician
