Community News

New Community-Use Yoga & Exercise Mats

We have purchased for community use some new yoga and exercise mats, and these will be placed in the Spin Room next week. The yoga mats will be maintained in a floor bin, and the thicker exercise mats will hang from a wall mount behind the spin bikes. We will be placing exercise equipment spray cleaner and towels in this area as well; please ensure that you wipe the mats down and return them to their storage location for the next user. Please make use of these and enjoy!

Quickest HOA-Related Service = Your Peloton Onsite Management Team

If you have questions regarding your Association, need to request the Board's consideration of a matter, need help with your account access through the Piler portal, or anything else related to the Association or the community, we encourage you to make our onsite Management office your first point of contact. Hammersmith's Community Care department is available to you as well, but in most instances your onsite Management team is able to more quickly address Peloton Association issues. Please see the Management contact information postings in the elevators and mail rooms for our contact information. (Your Manager, Timothy Bennett, can be reached at 303-980-7474.) We are here to help!
