Concierge Position Opening - Farewell to Marisa Cruz

Our long time, part time Concierge, Marisa Cruz, is leaving us to pursue her education and another position that fits better with her schedule. We wish Marisa all the best. We are now searching for her replacement, and if you are aware of someone who may be a good candidate for this position, please contact your Manager, Timothy Bennett. The schedule is 20-30 hours per week, evenings 5 pm - 12 am. We've also been fortunate in the past to have several Peloton Owners serve their community as employees, so we welcome your interest!

New HDMI Wall Plate Connection in Theatre

We have installed a new HDMI wall plate connection on the Theatre closet wall (facing the entry door), for your use in casting images from your tablet or laptop device onto the Theatre screen. When using the connection, please bring your own HDMI cable (or if you forget yours, just ask the Management office, and we can provide a loaner). You will need to select the HDMI icon on the Control4 pad to use this function. We hope you enjoy this new feature!
