### LED Garage Lighting Replacement Project Begins - Monday, October 1, 2018

The Board approved this summer the purchase and installation of new LED lighting for the entire parking garage, and installation of the lighting will begin **Monday, October 1, 2018**. The Association will receive a rebate from Xcel for a portion of the total cost, and is projected to save over \$23,000 per year in electricity savings by making this change. The work is being performed by All Electrical Systems. We do not expect to need to request movement of any vehicles during this work, but if that changes we will coordinate directly with the affected resident. These new lights will save money on a continuing basis and brighten and refresh this area of our community. Many thanks to the Architectural Review Committee for their work on this long-planned project!

### Next Defect Repair Committee Meeting - Wednesday, October 3, 2018, 4:00 PM

The next scheduled meeting of the Defect Repair Committee will be held on **Wednesday, October 3, 2018, at 4:00 pm**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

### Peloton Movie Night - "Insomnia" - Monday, October 1, 2018, 7:00 PM

Our next feature **Monday night at 7PM** - for those who are not die hard Broncos fans - will be *Insomnia*, (2002), directed by Christopher Nolan and starring Al Pacino, Robin Williams and Hilary Swank. The New York Post review wrote a "four-course gourmet alternative to summer popcorn flicks, serving up the meatiest performances Al Pacino and Robin Williams have given in many years." In this tense thriller Pacino plays an L.A. detective sent to an Alaskan town during the nightless high summer to solve a murder. Monday night in the CC theater at 7PM (118 minutes), and free to all!
