## **Association News**

### Next Board Meetings - Thursday, November 1 and 15, 2018, 11:00 AM

The next scheduled meetings of the Board of Directors will be held on **Thursday, November 1** (Special Board Meeting for 2019 Budget Approval) and **Thursday, November 15, 2018, each at 11:00 am**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

### Next Defect Repair Committee Meeting - Wednesday, October 24, 2018, 3:30 PM

The next scheduled meeting of the Defect Repair Committee will be held on **Wednesday, October 24, 2018, at 3:30 pm**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

### Welcome New Architectural Review Committee Member - Karen Marx

We are pleased to announce that the Board at this week's Board Meeting appointed Peloton Owner Karen Marx to the Architectural Review Committee, filling the recently vacated committee seat. As you may know, Karen has a background as a professional Interior Designer, and has previously contributed her design talents many times to the community. We are happy to have Karen join this important community role!

### University of Denver OLLI Program - Boulder Open House Tuesday, October 23, 2018

The Osher Lifelong Learning Institute at the University of Denver (OLLI at DU) is very pleased to announce the January 2019 opening of its new Boulder location. OLLI at DU is a program designed for adults age 50+ who wish to pursue intellectual learning opportunities in a relaxed and stimulating atmosphere. Thanks to the generosity of The Bernard Osher Foundation, OLLI at DU (established in 1996) is one of more than 120 institutes across the U.S. that are helping older learners find personal fulfillment.

There will be an Open House on **Tuesday, October 23, 2018, 10:00 a.m.**, at the new OLLI location – Mountain View United Methodist Church, 355 Ponca Place, Boulder – to familiarize prospective members with the program and classes that will be offered. Please contact Peloton Owner Barbara DuBois for more details, at (203) 561-7379.

### Battery Recycling - No Alkaline Batteries, Please

This is a reminder that our recycling bins in the Bldg D mail room do NOT accept alkaline batteries. Please stop placing them in any bins. (The City of Boulder allows these batteries to be disposed of in the trash.) You are welcome to recycle them yourself at the household hazardous waste facility (located at 1901 63rd St, Boulder, CO 8030) or better yet, purchase rechargeable batteries and a charger! These are great and will save you money in the long run.
