Rectangular Hot Tub Repair Update

The rectangular hot tub has been out of service for several days, owing primarily to a failed pump and pump seal. To repair these items, the sand filters also need to be replaced. Our pool contractor Peak One has been working on these repairs this week, and they expect to have the work completed by mid next week. We apologize for the inconvenience and appreciate your patience.

Peloton Movie Night - "Loving Vincent" - Monday, November 5, 2018, 7:00 PM

This **Monday night, November 5, 2018 at 7PM** our feature will be Loving Vincent (2017). Each of the film's 65,000 frames is an oil painting on canvas, using the same technique as Van Gogh, created by a team of over 100 painters. The film premiered at the 2017 Annecy International Animated Film Festival. It won Best Animated Feature Film Award at the 30th European Film Awards in Berlin and was nominated for Best Animated Feature at the 90th Academy Awards. Truly a different sort of cinema experience, this a beautiful and fascinating film to watch. It is literally an "art film" about Vincent Van Gogh and the mysterious circumstances of his death. Hope to see you there Monday at 7. Oh yeah, it is free!
