### **Association News**

#### Next Defect Repair Committee Meeting - Wednesday, November 14, 2018, 4:00 PM

The next scheduled meeting of the Defect Repair Committee will be held on **Wednesday, November 14, 2018, at 4:00 pm**, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

#### Calendar Reminder - Association Annual Meeting - Monday, December 10, 2018, 7:00 PM

Remember to mark your calendars to attend the Association's Annual Meeting & Budget Ratification, being held on **Monday, December 10, 2018, at 7:00 pm**, on the Community Center 2nd Floor. We will review the 2018 accomplishments, 2019 goals, and other issues of important to the community. Please plan to attend!

#### Rescheduled - Verizon Wireless Community Meeting (NOT Wednesday, November 14, 2018)

The previously scheduled community meeting with Verizon for Wednesday, November 14, 2018, is being **rescheduled**, due to conflicts. If you have questions about the new Verizon cell antennas installed on the Community Center and Building D (3601 Arapahoe), please plan to attend the community meeting with Verizon's Senior RF (Radio Frequency) Engineer Kevin Brown. We will update you with the rescheduled meeting date as soon as possible.

#### Peloton Staff Team Building - Office Closed This Afternoon, Friday, November 9, 2018

The Management office will be closed and most staff will be off site today, **Friday, November 9, 2018, beginning at 1:00 pm**, for a staff team building event. Concierge will be available starting at 3:00 pm (instead of 5:00 pm as usual). Should you have an urgent need during the brief period when the front desk is not staffed, please contact Community Care at (303) 980-0700, and they can assist.

#### Trash Days - Tuesdays & Fridays Chute Use

Please remember that trash pickup days are Tuesday and Fridays, and we ask that you not put trash down the chutes between 8:00 am and 3:00 pm on those days. This is because the trash backs up in the chutes and becomes difficult (if not dangerous) for Maintenance staff to dislodge when the dumpsters are returned to the garage trash rooms. Also, no very heavy items, please! Last week Maintenance reported nearly being struck by a 60 lb sand bag! Not only are heavy items dangerous, but they can damage the chutes. Thank you for observing these important guidelines.
