Peloton Movie Night - "The General" - Monday, December 3, 2018, 7:00 PM

Our next feature Monday night, **December 3, 2018 at 7PM** will be The General (1925) written and directed by and starring Buster Keaton. This comedy, based on an actual Civil War event, is an amazingly choreographed adventure of a Confederate railroad engineer - played by the brilliant Buster Keaton - who gives chase when his locomotive, the General, is hijacked by union soldiers. This silent film is one of the top 100 films of all time according to the American Film Institute and rated one of the top ten films of all time by Sight and Sound Magazine and Roger Ebert, among others. If you have never seen it, you are in for a treat. This is a great film for everyone. See you Monday at the CC Theatre.
