Common Fob Access for All Condominium Buildings - Under Consideration

In last week's EBlast, we asked the question: Would you like to see all four Peloton condominium buildings be accessible by Peloton Owners and residents with one common fob? Thank you to those who emailed Tim with their thoughts on this topic. The Board reviewed the responses received as of yesterday's Board Meeting time, and at this time has determined to take the matter up again once the Association has turned over from Developer to Owner control.

Vantaca Software Transition - ACH Payment Amount Help

If you use ACH for your monthly Association assessment payments, and you find during the new ACH setup in Vantaca that you need assistance with identifying your 2019 monthly assessment amount, please reach out to Tim and his office can provide that to you. Otherwise, this amount would be on the Statement you would have received in December with your Assessment Notice.

Peloton Movie Night - "I Tonya" - Monday, January 21, 2019, 7:00 PM

Our next feature, Monday, 1/21/19, at 7PM will be I, Tonya, (2018), starring Margot Robbie and Allison Janney, directed by Craig Gillespie. Janney won Best Supporting Actress Academy Award. Robbie was nominated for Best Actress and won best actress awards from Screen Actors Guild, Golden Globe, BAFTRA and Critics Choice among others. This is a dark comedy telling of Harding's lower class background, and the rivalry between Nancy Kerrigan and Harding leading up to the 1992 Winter Olympics. It opened to great reviews all around. See you at the movies on Monday night in the Community Center Theatre!
