Next Defect Repair Committee Meeting - Wednesday, February 20, 2019, 4:00 PM

The next scheduled meeting of the Defect Repair Committee will be held on Wednesday, February 20, 2019, at 4:00 pm, in the Community Center 2nd Floor Meeting Room. We invite and encourage you to attend!

Reminder: Annual Unit Inspections Continue Monday, February 18, 2019 at 12:00 PM

As we have previously e-blasted, the annual Unit inspections began on Monday, February 4, 2019, starting at 12:00 PM, and continue next week and through the end of February.

Next week's inspection schedule is as follows:

Building E (3301)

Monday, Feb 18: 4th floor

Tuesday, Feb 19: 3rd floor

Wednesday, Feb 20: 2nd floor

Friday, Feb 22: 1st floor (Note: This is a change from the previously scheduled Thursday, Feb 21 date, due to an Association meeting conflict)

No less than two (2) staff members will be inspecting. Management will knock on the door first, and if there is no answer, we will utilize the Association master key to gain entry into the Unit and announce ourselves as we do. The Unit front door will remain open during the inspection, and will be locked in the same manner as it was found upon entry. It is not necessary for you to be present during the scheduled inspection time. As in prior years, Management will be inspecting the conditions of windows, doors, and exterior walls, confirming the presence of properly sized water heater expansion tanks, and checking for visual signs of water leaks. A covenant and rule violation inspection will also occur at this time. Please contact Tim should you have any questions about this process.

Community News

Reminder: City of Boulder Fireside Chat - EcoPass/RTD Routes - Monday, February 18, 2019, 6-7:00 PM

Please join us for a Fireside Chat community meeting on Monday, February 18, 2019, from 6-7:00 pm in the Community Center Lounge, for a brief presentation by representatives of the City of Boulder Transportation Department on how to make the best use of your RTD EcoPass and the City's planning for ride share opportunities. This is a good opportunity to understand the routes available to Peloton EcoPass users and ask questions! See you there!

Dog Off Leash?

Please remember to keep your dog on a leash when walking him or her on the Peloton grounds. Some dogs are not as "social" as others and we want to avoid unwanted contact with dogs and other dogs and their owners. Remember, it's the Association Rule and a City ordinance that dogs be leashed.

How to Access the Vantaca Portal and Obtain Association Documents

If you need assistance in accessing Association documents (Rules, ARC form, etc.), please see the attached walk-through of the steps needed to do this. If after following these steps you are having trouble, please contact The Peloton Management office.
