Peloton Movie Night - "Gregory's Girl" - Monday, April 1, 2019, 7:00 PM

Our feature film Monday night, April 1, 2019 will be Gregory's Girl, a Scottish coming of age film from 1981, directed by Bill Forsyth. (Who says I don't show enough foreign films, Bill!) This is a delightful film, guaranteed to make you smile. Gregory falls for Dorothy who is a determined and superior striker on the previously all boys school soccer team. All the boys are in love with her but Gregory is going to win her over with devastating Italian expressions...or not. Irresistible! See you Monday night at 7PM at the CC Theatre.
