Community Center Hot Water Temporary Shut-Off - Tuesday, April 30, 2019

The Peloton Maintenance staff will be changing out a failed mixing valve at the Community Center boiler, in order to correct a hot water issue (it's not getting hot enough), on Tuesday, April 30, 2019, through mid-afternoon. During this time, there will be only cold water available in the Community Center. We appreciate your patience as we perform this necessary work.

Peloton Movie Night - "Wild Strawberries" - Monday, April 29, 2019, 7:00 PM

Our foreign film for our fifth Monday in April will be Wild Strawberries (1957) directed by Ingmar Bergman and starring Victor Sjöström. This may be Bergman's warmest film. An old doctor journeys by car to his university to receive an award, encountering young hitchhikers along the way and recalling scenes from his youth. When I was a "sophisticated" freshman at CU in 1965, going downtown to see Bergman films at the Art Cinema Theater on Pearl Street, across from the court house was what we Liberal Arts students did. (Watching Bergman films is till the thing to do!) (Smoking Gauloises was also the thing to do, but that's another story.) See you Monday night at 7PM at the CC theater!
