### Welcome New Peloton Team Member - Alex Carrasco

Please join me in welcoming to the Peloton team Alex Carrasco, who is our Project Coordinator for the Bldg C&D fire sprinkler replacement project, being managed by Hammersmith Construction Services. Alex is a Civil Engineering undergraduate at the University of Colorado at Boulder, with an emphasis on construction management and structural engineering. Please say "hi" to Alex when you see him around the community!

### Assessment Payments - Vantaca - The How-To Cheat Sheet

On January 1, 2019, The Peloton switched to a new Hammersmith-managed Homeowner portal, called Vantaca. If you have not yet taken the steps needed to confirm the method for making your monthly assessment payments, we need you to do this now. Attached is a summary sheet that will assist you through the process. If you need more help after you review this, please reach out to our office and one of our staff can assist.

### The Peloton Movie Night - "Bohemian Rhapsody" - Wednesday, May 22, 2019, 7:00 PM

Our next feature will be NOT on Monday, but on Wednesday evening, May 22, at 7 PM. Our movie will be -put on your glam!- (Really I'm not sure what that means,) Bohemian Rhapsody (2018), directed by Brian Singer and starring Rami Malek. This bio of Freddy Mercury the mesmerizing lead singer of The rock group QUEEN received five Academy Award nominations including for Best Picture. Malek won the Best Actor award and the film won Best Film Editing, Best Sound Mixing, and Best Sound Editing. The critical judgement, over all, seemed to be that this film is pretty loose with the facts but is still a rocking, entertaining movie. In other words: We will, we will rock you! See you WEDNESDAY night at 7 at the CC Theater.

### Sustainability Committee Update - No More Light Bulb Recycling

As you may know, we have been providing a recycling receptacle in the Bldg D mail room for residents to place old light bulbs for recycling. We had hoped to make this resident benefit work long term, but given the increasing number of bulb breakages (and release of mercury from many bulbs when that occurs) and the resultant risk to our Sustainability Committee members (who have been handling the recycling) and others in the mail room, we are discontinuing this part of the recycling effective immediately. Please do continue to recycle your old bulbs at Home Depot, CHARM, and other suitable locations.
