Bldg E NWC Civil Grading & Drainage Project to Begin

During the week of September 23, 2019, AGS Construction will begin limited grading and drainage work at the northwest corner of Bldg E, at the west entrance to the Peloton property, as part of the Construction Defect repairs. This will include replacement of the artificial turf with an improved grade of artificial turf and base designed for pet traffic. We appreciate your patience and support as we move through multiple simultaneous projects here.

Center Drive Parking Reminder: No Overnight Scooter Parking (w/o Valid Permit)

With an apparent increase in the use of scooters, we want to remind you that overnight parking (without a valid parking permit) of scooters on the Center Drive is not allowed. This is the same rule that is enforced for any other vehicle.

Unregistered Bikes - Year End Donation Pending

If you have a bike here at The Peloton, please ensure that it is registered with the Management office. As is our established practice, we are marking all unregistered bikes stored in common area bike rooms and bike racks, and any that are not then registered or otherwise removed are being collected by Management for donation by the end of 2019. Thanks for your help in cleaning up our bike areas!
