Governing Document Amendment Ad Hoc Committee - Seeking Applicants

Now that the Association has transitioned from Declarant (Developer) to Owner control, the Board is reviewing the Association's governing documents (the Declaration, Bylaws, Rules & Regulation, and Policies) toward proposing some amendments. Toward that end, we are seeking Peloton Owners who would be interested in serving on an ad hoc committee to be formed for the purpose of reviewing the governing documents and making recommendations to the Board for these amendments. If you are interested, please contact Tim at tbennett@ehammersmith.com.

Best Wishes to Front Desk Administrator Naomi Hiatt

Our Front Desk Administrator, Naomi Hiatt, has accepted another position due to a change in her life circumstances, and her last day at The Peloton was earlier this week. Naomi was a great Administrator, and she earned the distinction of Team Member of the Quarter for all of Hammersmith Management in June 2019. We will miss her! We are interviewing now for Naomi's replacement, and in the meantime Martha Paulson is filling in. (Thank you, Martha!)
